PROFESSIONAL SUMMARY

UI/UX Designer with 4 years of experience delivering 25+ web and mobile projects across B2B and B2C products. Leads design from requirements and research through information architecture, user flows, wireframes, high-fidelity UI, prototyping, developer handoff, and design QA. Strong at turning complex business needs into clear responsive experiences and guiding implementation with product managers and developers.

PROFESSIONAL EXPERIENCE

UI/UX Designer | FYI Creative Marketing Pvt. Ltd. | Mumbai

September 2023 - Present

- Lead and own end-to-end UI/UX delivery across 25+ client engagements, translating requirements into information architecture, user flows, wireframes, high-fidelity UI, interactive prototypes, and production-ready handoff.
- Partner with the product manager to clarify business goals, prioritize journeys, resolve feedback, and make UI/UX decisions across responsive web and mobile experiences.
- Coordinate developers through implementation, clarify responsive behavior and interaction states, review builds for design fidelity, and guide work through final delivery.
- Selected client projects include UI/UX work for **Wonderchef**, **Levi's**, **IFBE**, **Malik Architecture**, **Amaha Estates**, and **UltraTech**, among others.

UI/UX Designer | BizDateUp Pvt. Ltd. | Mumbai

January 2023 - August 2023

- Designed approximately 120 screens for a two-sided startup investment platform connecting founders and startups with investors across core product journeys.
- Conducted user research and converted findings into information architecture, user flows, wireframes, interactive prototypes, and high-fidelity interfaces.
- Collaborated with developers to clarify interactions, communicate design requirements, and support implementation across core product flows.

PROJECTS

Wonderchef | Role: **UI/UX Designer** - Mobile-first e-commerce experience in development; own navigation, product-discovery flows, wireframes, responsive UI, prototype, and developer handoff.

Juno | Role: **UI/UX Designer** - Pregnancy support app; translated yoga, nutrition, and consultation services into user flows, wireframes, high-fidelity mobile UI, and an interactive prototype.

IFBE | Role: **UI/UX Designer** - Live cultural-centre website; structured programmes, spaces, and initiatives through research, information architecture, wireframes, visual UI, prototyping, and implementation coordination.

Sawit | Role: **UI/UX Designer** - Live professional community platform; translated member and organization needs into information architecture, user flows, responsive UI, prototyping, and implementation support.

Amaha Estates | Role: **UI/UX Designer** - Live luxury real-estate website; structured brand, property, and lifestyle content into clear navigation, responsive layouts, high-fidelity UI, prototyping, and developer handoff.

Malik Architecture | Role: **UI/UX Designer** - Live portfolio website for an award-winning architecture studio; organized its philosophy, projects, services, and editorial content into an immersive responsive experience.

Amrit Prayas | Role: **UI/UX Designer** - Live website for a 10-year economic-development movement; translated growth targets, six strategic pillars, initiatives, and leadership content into clear responsive journeys.
